Dear School Community,

I'd like to start the newsletter this week with some congratulations to many members of our school community. This week the Grade 3's and the Grade 5's undertook NAPLAN, both year levels for the first time. The students were exemplary. They used the tests as an opportunity to let their light shine and demonstrate all the wonderful skills and knowledge they have learned. Their positive attitude and their focus and attention was a credit to them. A huge thank you to Maddie O'Dowd who is our NAPLAN coordinator for making sure the running of this process was organised, efficient and stress free for the students.

I'd also like to congratulate the Cross Country runners from Grade 3 - 6 who competed in the District Cross Country last Friday. They all braved the chilly conditions, ran their best and were so supportive of not just each other but of the students from the other competing primary schools. We were super proud of all of our competitors, but would like to congratulate the following students on making it the next round of the District Cross Country Championships on May 24th at Eastern Gardens in Geelong;

Lachy Gaylard - 1st in his Division
Elise Newey - 1st in her Division
Jessie Adam - 5th in her Division
Harvey Waight - 4th in his Division
Herb Ireland - 6th in his Division
Will Morrish - 4th in his Division
Audrey Howard - 6th in her Division

We were so pleased to welcome so many of the mothers in our community to our Mother's Day Breakfast and Liturgy on Monday morning. It was lovely to see our community be able to come together once again to celebrate the role of the mums in our lives, and to take the opportunity to pray together as a whole school community. Our Grade 6 Captains did a great job at helping serve the food and our Liturgy team were beautiful in their prayers;

“We ask your Blessing Lord upon the Mothers who care for us. May all Mothers know how much we care for them. Let them always know their special role; a revelation of God’s love for their children.”
